Dear John:

The NFIB Connecticut PAC is pleased to inform you that we have endorsed your candidacy for the Connecticut General Assembly in this November's election.

The NFIB CT PAC believes that you will be committed to the needs of thousands of Main Street small businesses and their employees in Connecticut when you are elected to serve in Hartford. You may use the NFIB endorsement in your campaign materials and with the media.

NFIB is the leading small-business association in the nation with thousands of members in Connecticut representing a cross-section of the state's economy. For more than 75 years, NFIB has been advocating on behalf of America's small and independent business owners, both in Washington, D.C., and in all 50 state capitals. NFIB is nonprofit, nonpartisan, and member-driven. Since our founding in 1943, NFIB has been exclusively dedicated to small and independent businesses and remains so today.

Thank you for standing with NFIB on the issues important to small business. If you have any policy questions or other matters you would like to discuss, you may contact Andy Markowski, NFIB's Connecticut State Director at (860) 248-NFIB.

Best wishes for your campaign.

Sincerely,
